| Release Number: | Versions 5.15, 7.4 and higher |
| Release Dates: | Release Date: June 25, 2019 Current Release Type: RC 2(Henry) General Release: July 30, 2019 |
| Also Includes Items from Release(s): | Beta 1, RC1, Beta2 |

What's New?

Following is a summary of the enhancements and new features added in this software release. Unless you requested to be a Release Candidate, the features listed below are not available until the General Release date noted above.

Enhancement: **PS-5451: Braintree Update**

Version: 7.4

System Path: Payment Processor

Description: Updated the expiration date generated for Braintree to selection based instead of input fields.

Enhancement: **PS-5447: SOI Inventory Tab**

Version: 7.4

System Path: SOI

Description: Updated the SOI > Order Items > Inventory tab so that the "In PO" quantity links to the PO Manager in a new browser window.

Enhancement: **PS-5443: Club Membership Plug-in**

Version: 7.4

System Path: Website plug-in

Description: Added ability to view and edit clubs within the wine club management plug-in that have duration set to "unlimited."

Enhancement: **PS-5423: Order History Report**

Version: 7.4

System Path: Reporting > Report Center

Description: Added a new report, "Order History Report" to the Report Center. It has criteria options of Start Date and End Date, which matches the order creation date. It is viewable and exportable.

Enhancement: **PS-5353: Dispatchtrack Integration**

Version: 7.4

System Path: Shipping

Description: CORESense has integrated with Dispatchtrack, which is a third party delivery logistics service. This is managed from System Settings Manager > Shipping. Settings include Service Type options of Delivery or Pick up or Service. You can also set order statuses and shipping methods.

Enhancement: **PS-5350: Clutch Integration**

Version: 7.4

System Path: Data Feeds

Description: CORESense has integrated with Clutch, which is a third party customer data and marketing service. Three new data feeds have been created:

- Clutch Product Export
- Clutch Customer Export
- Clutch Order/Return Export

Bug List

The bug list is intended for reference only. In an effort to prevent any potential self-misdiagnosis, if you think that you have experienced a cited issue, please contact Support Team to verify. Although a listed bug might sound similar to your situation, it is best to confirm it.
