### What's New?

Following is a summary of the enhancements and new features added in this software release. Unless you requested to be a Release Candidate, the features listed below are not available until the General Release date noted above.

### Bug List

The bug list is intended for reference only. In an effort to prevent any potential self-misdiagnosis, if you think that you have experienced a cited issue, please contact Support Team to verify. Although a listed bug might sound similar to your situation, it is best to confirm it.

<b>Bug #</b>	<b>Description</b>
BUG-16973	Updated 'Create From Live' code in the Website Template Manager to not copy any template that is universal.
BUG-16910	Updated Order Manager and the SOI to only display active credit cards. If the selected credit card for the order is an inactive credit card, it will display the selected credit card regardless of its status.
BUG-16853	Updated the split order item code to copy the tax exemption over from the old order item to the new order item.
